

Ladies and gentlemen, before I introduce tonight's entertainment, I have a few quick announcements to make.

- please take a moment to turn your chairs toward the stairs
- theatrical smoke will be used in tonight's show, but don't worry, it's perfectly safe to breathe.

And now, on with the show!

INTRODUCTION

Bob Cates has taken his one man *Comedy in Motion* show to over 20 countries around the world. He has spent over 225 weeks of his life headlining on international cruise ships including Disney and Royal Caribbean Cruise Lines. He combines extraordinary talent with comedy to create an "amazingly funny" show.

Bob has been a full time entertainer for 21 years and he is a Christian. He has a Bible College degree, a degree from McMaster University and spent 8 months on the mission field in Lithuania.

- He was a **Canadian Juggling Champion** back when he had hair
- and he was nominated for **BEST VARIETY ACT at the 2014 AND 2015 Canadian Comedy Awards**

Now, please welcome to the stage with a huge round of applause, *Comedy in Motion* with Bob Cates!!!

END OF SHOW

Be prepared to come up to the stage, with the hand held mic AS SOON AS Bob finishes to thank and dismiss the crowd. Try to get on the stage before the applause dies down or it can be weird (audience may think the show is not over, which it is).
